**EXAMINER'S AMENDMENT AND REASONS FOR ALLOWANCE**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

2. Claims 27 and 49-53 are canceled pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention. Election was made **without** traverse in the reply filed on May 12, 2006. Claims 18-24 and 46-48 have been rejoined to the allowed claims. The restriction in this capacity is no longer maintained.

3. The following is an examiner's statement of reasons for allowance: Applicant's comments on page 14, first full paragraph is found persuasive. As pointed out by Applicant, the provision of MacKeivie having a bottom center opening to prevent rolling of the media teaches away from the proposed modification. Such a teaching away of an invention is well recognized as the benchmark of unobviousness.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to David T. Fidei whose telephone number is (571) 272-4553. The examiner can normally be reached on Monday - Thursday 6:30 am - 4:00 pm.
